CRDSI SUMMER INTERNSHIP SCHOLARSHIPS - 2026

The CRDSI is pleased to announce summer internship scholarships, each valued at \$4,000, to support the recruitment of summer interns. We encourage all eligible CRDSI members to submit an application for their potential interns.

Eligibility Criteria:

- The internship must have a minimum duration of 12 weeks and take place between May 1 and August 31, 2026.
- The principal supervisor must be a regular member of CRDSI.
- The intern must be enrolled full-time in a university program for the Fall 2026 session.
- A maximum of one scholarship per researcher is allowed.
- The scholarship cannot be deferred to a later term.
- The scholarship cannot be combined with funding from provincial or national organizations such as FRQS, FRQNT, NSERC, or CIHR.

Submission Procedure: The intern must complete the application form, include their transcript in a single PDF document, and submit it via email by **11:59 PM on Friday, April 3, 2026**, to the following address: comitedesboursescrdsi@gmail.com.

EVALUATION CRITERIA:

- **Academic Record:** Provide a copy of transcripts for all university studies.
- **Scholarships and Awards:** Submit a complete list of scholarships and awards, along with award notifications if applicable.
- **Publications and Presentations:** Include all publications. For accepted or in-press publications, provide an acceptance letter from the publisher. Submitted or in-preparation publications and presentations should not be included.
- **Personal, Community, and Social Achievements:** Write a text of maximum 1,250 characters, including spaces.
- **Research Project Summary:** Write a text of maximum 2,000 characters, including spaces.
- **Scientific Experience and Expected Learning Outcomes:** Write a text of maximum 1,250 characters, including spaces.
